Each day of camp, kids will participate in a variety of activities that are designed to spark their curiosity and creativity. They will build robots, design and build their own inventions, create works of art, and explore the world of science through hands-on experiments.

In addition to the daily activities, kids will also participate in a weekly field trip to a local museum or science center. These field trips will provide kids with the opportunity to see real-world applications of the concepts they are learning in camp.

Challenge Island Steam Adventure is a unique and exciting way for kids to learn about STEAM subjects. The program is designed to be fun and engaging, and kids will leave camp with a newfound love of learning.

## **Benefits of Challenge Island Steam Adventure**

There are many benefits to participating in Challenge Island Steam Adventure. These benefits include:

- Improved academic performance
- Increased creativity
- Enhanced problem-solving skills
- Development of teamwork and communication skills
- A lifelong love of learning

## **How to Register for Challenge Island Steam Adventure**

Registration for Challenge Island Steam Adventure is now open. To register, visit the Challenge Island website or call 1-800-643-4222.

Challenge Island Steam Adventure is a great way for kids to learn about STEAM subjects while having fun. The program is designed to be engaging and educational, and kids will leave camp with a newfound love of learning.
