Madeira Walks Leisure Trails Volume is a comprehensive guide to hiking in Madeira. It features 40 walks of varying difficulty, from easy strolls to challenging hikes. The book includes detailed maps, elevation profiles, and GPS tracks for each walk, as well as information on local flora and fauna.

The Walks

The walks in Madeira Walks Leisure Trails Volume are divided into four sections:

- **Easy walks** are suitable for all ages and fitness levels. They are typically short and flat, with no significant elevation gain.

- **Moderate walks** are a bit more challenging than easy walks, but they are still suitable for most people. They may involve some moderate elevation gain, but the trails are generally well-maintained.
- **Challenging walks** are suitable for experienced hikers. They may involve significant elevation gain, and the trails may be rough or uneven. Some challenging walks may also require the use of ropes or ladders.
- **Expert walks** are the most challenging walks in the book. They are suitable only for experienced hikers who are comfortable with exposure and scrambling. Expert walks may involve significant elevation gain, and the trails may be very rough or uneven. Some expert walks may also require the use of ropes or ladders.

Each walk in Madeira Walks Leisure Trails Volume is described in detail, with information on the following:

- **Distance**
- **Elevation gain**
- **Difficulty level**
- **Estimated walking time**
- **Map**
- **Elevation profile**
