

# Sight Words Plus Nouns Sight Word Flash Cards With Critters For Preschool

Sight words are words that are commonly used in English. They are words that children should be able to recognize instantly, without having to sound them out. There are 220 sight words in the English language.

Nouns are words that name people, places, things, or ideas. There are many different types of nouns, including common nouns, proper nouns, concrete nouns, and abstract nouns.

Sight words and nouns are important for preschoolers because they help them to develop their reading and writing skills. Sight words make it easier for children to read fluently, and nouns help them to understand the world around them.
