

# Sight Words Plus Verbs: The Key to Early Reading Success

Sight words are words that are recognized instantly, without sounding them out. They are the most common words in the English language, and they make up a large part of early reading materials. Verbs are words that describe actions. They are also essential for early reading, as they help children understand what is happening in a story.

Teaching sight words and verbs together can help children learn to read more quickly and fluently. By associating sight words with verbs, children can begin to understand the grammar and structure of language. This helps

them to make sense of what they are reading and to develop a strong reading foundation.

## **How to Teach Sight Words and Verbs Together**

There are a number of ways to teach sight words and verbs together. One effective method is to use flashcards. Write sight words on one set of flashcards and verbs on another set. Then, have children practice reading the flashcards aloud. As they are reading, encourage them to associate the sight words with the verbs.

Another way to teach sight words and verbs together is through games. One fun game is called "Simon Says." Give children instructions using sight words and verbs, such as "Simon says touch your nose" or "Simon says jump up and down." This game helps children to learn sight words and verbs in a fun and engaging way.

You can also teach sight words and verbs together through songs and poems. Many children's songs and poems include sight words and verbs. Singing and reciting these songs and poems can help children to learn sight words and verbs in a memorable way.

## **The Benefits of Teaching Sight Words and Verbs Together**

There are many benefits to teaching sight words and verbs together. Some of the benefits include:

- **Improved reading fluency.** Children who are able to recognize sight words quickly and easily are able to read more fluently. This helps them to understand what they are reading and to develop a love of reading.

- **Increased comprehension.** Children who understand the meaning of verbs are able to better understand what is happening in a story. This helps them to develop a strong reading comprehension foundation.
- **Expanded vocabulary.** Children who are exposed to a variety of sight words and verbs are able to expand their vocabulary. This helps them to communicate more effectively and to develop a strong academic foundation.

Teaching sight words and verbs together is an essential part of early reading instruction. By providing children with a strong foundation in sight words and verbs, you can help them to become successful readers.
