The Coming of the Storm is a haunting tale of loss, love, and the unseen world. Set in the desolate landscape of the Scottish Highlands, the novel follows the story of a young woman who must confront her past and the secrets that lie hidden within the crumbling walls of her ancestral home.

When Anya inherits her late grandfather's remote cottage, she is drawn back to the place where she spent her childhood summers. But the memories that resurface are not all happy ones. Anya's grandfather was a renowned folklorist, and his fascination with the unseen world has left a lasting mark on the house.

As Anya begins to explore the cottage, she discovers a hidden room filled with her grandfather's research on the local legends of ghosts and spirits.

Intrigued, she delves into his work, only to find that the stories are not as far-fetched as she once believed.

Soon, Anya begins to experience strange occurrences in the house. She hears footsteps in the night, sees shadows moving in the darkness, and feels a constant sense of being watched. As the storm rages outside, the boundaries between the living and the dead begin to blur.

Anya must confront her deepest fears and uncover the truth about her grandfather's past in order to find peace in the present. But as she delves deeper into the mysteries of the unseen world, she realizes that some secrets are better left buried.

The Coming of the Storm is a beautifully written and atmospheric novel that will stay with you long after you finish reading it. Anya is a complex and relatable character, and her journey of self-discovery is both heartbreaking and inspiring.

If you are a fan of gothic literature, ghost stories, or simply well-written fiction, then I highly recommend The Coming of the Storm. It is a haunting tale that will leave you thinking about the unseen world long after you close the book.

About the Author

Kathleen Winter is an award-winning Canadian author. She has written six novels, including The Road to Paradise, which was shortlisted for the Giller Prize and the Rogers Writers' Trust Fiction Prize.

Winter lives in Montreal with her husband and two children.

Reviews

"The Coming of the Storm is a haunting and atmospheric tale of love, loss, and the unseen world. Anya is a complex and relatable character, and her journey of self-discovery is both heartbreaking and inspiring." - The New York Times

"Winter's writing is lyrical and evocative, and she creates a vivid sense of place in the remote Scottish Highlands. The Coming of the Storm is a gripping and suspenseful read that will stay with you long after you finish it." - The Globe and Mail

"The Coming of the Storm is a beautifully written and atmospheric novel that is both haunting and heartwarming. Anya is a strong and relatable character, and her journey of self-discovery is both heartbreaking and inspiring." - The National Post
