The society was founded in the 12th century by a group of knights who were loyal to the deposed King John. These knights believed that the true king of England was the rightful heir to the throne, and they vowed to protect him and his descendants.

Over the centuries, the Society of Princes has remained a secret society, and its members have been drawn from the ranks of the British aristocracy. The society's members have included some of the most famous and

powerful people in British history, including Sir Francis Bacon, Sir Isaac Newton, and Winston Churchill.

The Society of Princes has been involved in many of the major events in British history. The society's members were involved in the English Civil War, the American Revolution, and the Napoleonic Wars. The society has also been involved in the founding of the United States of America and the creation of the British Empire.

Today, the Society of Princes is still a secret society, but its members continue to work to preserve the true history of Britain and to restore the monarchy to its rightful place. The society is a powerful force in British society, and its members are determined to see the monarchy restored to its former glory.

The Goals of the Society of Princes

The Society of Princes has two main goals: to preserve the true history of Britain, and to restore the monarchy to its rightful place.

The society believes that the true history of Britain has been hidden from the public for centuries. The society's members believe that the monarchy is the rightful government of Britain, and that the republic is a usurpation of power.

The society's members are working to restore the monarchy to its rightful place. The society believes that the monarchy is the only form of government that can unite Britain and restore it to its former glory.

The Membership of the Society of Princes

The Society of Princes is a secret society, and its membership is not known to the public. The society's members are drawn from the ranks of the British aristocracy, and they are all descended from the ancient British royal family.

The society's members are some of the most powerful and influential people in British society. They include members of the royal family, politicians, businessmen, and military leaders.

The society's members are all committed to the society's goals of preserving the true history of Britain and restoring the monarchy to its rightful place.
